

Dear St. Anna Parishioners

The St Anna Capital Campaign team has been working hard to develop a plan to bring additional funds into the Capital Campaign to purchase land, build our new church and community center and perhaps find an existing facility we can modify to meet the needs for St Anna Parish. Our immediate goal is to raise the \$3,000,000 approved by the Parish Assembly, and hopefully a bit more. The donations raised to date of \$1,239,300 through our generous donors has our parish off to a great start toward our goal, Thank You to all who donated. We all know that reaching this goal will require great dedication, sacrifice and ongoing efforts from our Parish that continues over a number of years. The Capital Campaign Committee is dedicated to helping the Parish achieve this goal. We have begun to plan and, hopefully, will soon institute several ongoing programs toward that end.

Firstly, Community Events: the team plans to continue the very successful Tables Extraordinaire Event with the help of St Anna Women's Ministry and St Anna Men's Ministry Teams. Additionally, an annual St. Anna Golf Tournament and family event is being planned for our parish as well as including the participation of individuals and families outside of our parish. We plan to add additional forms of annual fund raisers as needs, opportunities and creativity allow.

If you would like to help with these events, please reach out to either the Capital Campaign Ministry Team or to the individuals/groups planning the events.

Secondly, SACC is looking to broaden our donation base by soliciting additional donations from outside the parish. We plan to approach individuals, organizations, foundations and corporations and not restrict these efforts to only our parish. Therefore, if any of you have personal contacts of this nature, please let SACC know.

Thirdly, the SACC team has developed a long-term gifting program aimed at including the Parish as a beneficiary in your estate plans. Brochures and pamphlets are now available to provide information and assistance in leaving such a legacy to the Church.

Finally, the SACC team has developed a solid program to encourage additional donations from our parishioners. This program will allow you to donate stocks, bonds, securities and real estate to the building fund. The committee will shortly launch a program aimed at setting up weekly or monthly donations of manageable amounts to encourage all parishioners, young and old, regardless of income, to contribute to the goal of building the Church. More information about that program will be forthcoming.

Every donation regardless of the amount is important to achieving our goal of building a facility to house St Anna Church and its Community Center. Full participation of the Parish membership is critical to the success of this effort. If you have not yet had an opportunity to donate to the campaign, we ask you to take some time soon to talk with your spouse and family members and consider making a generous donation.

If you have questions about donating to SACC, please contact Father Anthony, any member of the campaign committee or drop us an email at stannacampaign@stannagocutah.org and we will contact you.

Each one of us is an ambassador of our parish. Every one of us knows someone whom the campaign committee may not be aware of that can be approached about a potential donation. If you know of such a person or entity, please contact us as soon as possible so that we can reach out to the potential donor and provide information about our need.
